I have been looking in Data Warehouse, and also couldn't find her. I left her a voice mail. I'll let you know.

Ok, thanks for the suggestions. I may continue to include the SF employees on the list, just because I have to provide their names for other things, like the overtime list. So I'll keep trying to just use one list for all needs. But thanks for all your help.

OK Cindy, Suggestion....To save you some typing time, only need names of Non-Superfund personnel that need the Gold King account.

Added site account numbers...But

Problem 1 Sharon Osowski, can't find her in PPL? Need her legal name as it's in PPL?

Problem 2 Cannot add ERT employee...Can only be added by his PPL Coordinator

Problem 3 Cannot add Region 7...Can only be added by the Region 7 Coordinator
